shower line

Argo Rubinetterie propone SHOWER LINE un programma docce dal design essenziale e dalle caratteristiche tecnologiche avanzate. La modularità si esprime nella scelta tra diversi tipi di soffioni che permettono di personalizzare l'ambiente doccia a seconda dei propri gusti ed esigenze. Il catalogo SHOWER LINE è uno strumento studiato per comporre le colonne doccia o i saliscendi nelle combinazioni più disparate, infatti permette di comporre la doccia desiderata scegliendo la colonna doccia ed abbinarla con doccetta ed soffione preferiti, dalle diverse tipologie da quelle più tradizionali a quelle moderne come ad esempio la doccetta a più getti e soffione ultrapiatto ad ampio getto effetto pioggia. Un programma sempre più ampio e completo per soddisfare le diverse esigenze estetico-funzionali e garantire la piena personalizzazione del proprio ambiente doccia.

Argo Rubinetterie launches SHOWER LINE, a shower collection with minimalistic design and advanced technology. The modular system provides different options of shower heads that allows to customize the shower in accordance to your own tastes and needs. SHOWER LINE catalogue is a tool conceived to create shower columns and shower kits in the most various ways by selecting a basic shower column and combining it to the favourite handshower and shower head. The wide variety of typologies goes from the most traditional to the most modern ones, as for example the handshower with multiple jets and the ultra-thin shower head with wide rain effect. A collection increasingly wide and complete to satisfy various aesthetical and functional needs and guarantee the full customization of the shower.

Le doccette Argo sono dotate di diversi tipi di getto: spray, soft spray, soft spray massage, soft massage e massage, per garantire sempre una doccia personalizzata in ogni particolare.

Argo handshowers provide a large jet variety - spray, soft spray, soft spray massage, soft massage and massage - and offer a customized solution in detail.

waterclean

Funzione anticalcare.
La pulizia è facilitata da sistemi anticalcare per un prodotto efficiente negli anni.
WaterClean consente di rimuovere i depositi di calcare semplicemente strofinando le dita sui rilievi flessibili in silicone.

Anti-limestone function.
Cleaning has never been so easy thanks to the anti-limestone systems which guarantee the efficiency of a longlasting product.
